JUDY (INTO PHONE)

So, I'm trying to get an interview
with Sasha Lishnakov. Yes, the Sasha
Lishnakov. The guy's only about to
win the Nobel prize.

SASHA (INTO PHONE)

Hello?

JUDY (INTO PHONE)

--He exposed the mob, risking
everything. I idolize this guy.

SASHA (INTO PHONE)

Judy! I'm on the phone.

JUDY (INTO PHONE)

Oh. I had no idea you were there.
So, what can I say to make you do the
interview?

GABE, 20, HANDSOME, ENTERS CARRYING A GROCERY BAG.

JUDY (INTO PHONE) (CONT'D)

Great... A secret location?
Fantastic. It'll be like we're in a
movie, but it's really a T.V. show
and you're the-- oh, okay. I'll talk
to you later.

GABE

Hey, Jude. Here's your stuff.

GABE (CONT'D)

(UNPACKS BAG) I got your fat free
soy moo, your sunblock SPF six...
thousand, and some other evidence of
your mental illness.

JUDY

Oh no. You think I'm mentally ill.
Like no one ever said that[^] before.

GABE

Hey, did you hear big butt got engaged?

JUDY

Gabe, you shouldn't say things like
that. Trish is my friend. And anyway,
women are very sensitive about their
bodies. Do you think I have a big
butt? And pretend you're talking
behind my back when you give the
answer. Go.

GABE

Your butt is perfect. I could use it
as a trampoline. Am I going to be a
p.a. forever? Go.

JUDY

You're way too smart to be a p.a.
forever.

JUDY (CONT'D)

In fact, you're not going to be one tomorrow. 'Cause you're coming with me to do the sound for the Lishnakov interview.

GABE

Really? That's great! Thank you so much! I knew sucking up to you would pay off.

JUDY

Yeah. Did you hear Warren fired the sound guy?

GABE

No way? The man of a thousand chins got axed?

JUDY

You've got to tell me. What do you call me behind my back?

GABE

Baby, I don't call you anything. I give you the finger.
