EDDIE

That wasn't flirting.

PENNY

Excuse me. I know what your flirting looks like. I was the subject of your flirting for ten years.

EDDIE

No. You were my girlfriend for ten years. Guys don't flirt with their girlfriends. They flirt with other girls.

PENNY

Finally, you admit it.

EDDIE

Admit what?

PENNY

The whole ten years we were together you were flirting with other women.

EDDIE

I didn't admit that.

PENNY

You so did.

EDDIE

My point was that when you were my girlfriend I didn't flirt with you.

3.

PENNY

Why would you? You used up all your
flirting energies on other women.

EDDIE

Can we just drop this?

PENNY
