

INT. FOUNDATION INSURANCE COMPANY - WILL'S OFFICE - LATER

Will sits at his desk. Kenny enters carrying a giant DUFFEL BAG with the name FLAXODRYL on the side.

WIL

Hey. What are you doing here?

KENNY

I finished my route early.

WILL

You're done for the day?

KENNY

Normally it takes longer, but this product, Flaxodryl, isn't a big hit.

WILL

What does it do?

KENNY

Flaxodryl provides relief for bacterial infections of the skin and soft tissue, such as infected ulcers, wounds or burns, abscesses, impetigo, and boils. Side effects include panic attacks, loose stool --

WILL

You know? I'm good with the side effects. Thank you.

Craig enters, hangdog.

WILL/KENNY

Blitzcraig!

CRAIG

Lisa never called me back last night.

KENNY

Craig, you dodged a bullet, buddy. That girl's a hot cup of crazy.

CRAIG

Kenny, don't call her that.

KENNY

It's true! Trust me. I know about crazy women. I married one.

CRAIG

Anyway, I started journaling last night and it occurred to me --

WILL  
You started journaling?

CRAIG  
Yes, I've been journaling lately.

Kenny laughs.

CRAIG (CONT'D)  
What? A journal's a great place to  
put all your thoughts. You know?  
Your hopes and dreams...

KENNY  
Another good place to put all of  
those things is in your vagina.

WILL  
Kenny, would you please?

CRAIG  
Anyway, it occurred to me that the  
reason I can't stop thinking of Lisa  
is because we never had any closure  
to our relationship.

WILL  
Any what?

CRAIG  
Closure. You know? Finality. I  
have to see her to feel contented.  
I need closure.

KENNY  
You need to closure vagina.

CRAIG  
You know what? I'm done talking --

KENNY  
Okay. Okay. I'm sorry. I apologize.  
Seriously. I'm sorry.  
(Beat)  
You guys have to acknowledge though,  
that was two really good vagina jokes  
in a row.

WILL/CRAIG  
They were very funny. /Yes. Congrats.

KENNY  
Thank you.
