DANNY

Detective Reagan and Baez. How can we help you?

MAGGIE

That young woman upstairs, the one who killed herself? She didn't die from suicide, she was murdered.

BAEZ

Are you a family member?

MAGGIE

I'm a concerned citizen.

Danny and Baez exchange a look.

BAEZ

Do you even know the woman upstairs?

MAGGIE

No.

DANNY

But, you know she was murdered?

MAGGIE

I'm positive.

DANNY

How do you know?

MAGGIE

Because she told me.

EXT. DALY APARTMENT - DAY

8

Danny and Baez with Maggie.

DANNY

So, you're sure that our suicide victim was murdered...

MAGGIE

No question.

DANNY

And you know this because she told you?

MAGGIE

I'm a medium.

BAEZ

You're telling us you talk to the dead?

MAGGIE

Actually the dead talk to me.

DANNY

My world, that's called a scam artist.

MAGGIE

I'm not looking for money. I'm looking for justice.

DANNY

For someone you don't know and never met?

MAGGIE

That's right.

DANNY

The only people who show up at crime scenes, that aren't family or friends, are either psychos or they're the perp. So, which one are you?

MAGGIE

Neither.

BAEZ

Where were you today between 5am  
and 9am?

MAGGIE

In my home, in Northport, where I  
live.

BAEZ

Anyone we can check that with?

Maggie hands her a card.

MAGGIE

That has all my information on it.  
Feel free to check whatever you  
like. Can I speak with the family?

DANNY

Leave the family alone.

Danny and Baez start to walk away.

MAGGIE

The locket is important.

BAEZ

What locket?

MAGGIE

The one she was wearing. Find that  
and you'll find her killer.

Off Danny and Baez.

CU - A SCREEN WITH FRANK'S FACE ON IT

Frank, Garrett and Gormley.

GORMLEY

Hey boss they got a blurb from you  
right here on the home page. You  
wanna hear what you said?

FRANK

No...

GORMLEY

"There's no more worthy charity  
than the Bucket List and no more  
admirable man than Michael Norris."

RODRIGUEZ

Someone told me you can get prescriptions cheaper online. So, I did... I paid cash. He met me in Williamsburg, gave me the insulin, and disappeared.

JAMIE

Who? Do you have his number?

RODRIGUEZ

It's in my computer.

(off them; shaken)

When I go to the hospital to see my son, they have a nurse stay in the room with me, watching me, as if I'm going to do something to hurt my own son.

(beat; upset)

I'd never do anything to hurt my son. Never.

She moves past them, as she cleans... off Jamie and Eddie.

INT. DALY APARTMENT - DAY

20

Maggie walks around Meredith's apartment, as a skeptical Danny rolls his eyes.

MAGGIE

There was a struggle...

DANNY

No shit. That's generally what happens between two people when one is about to kill another...

MAGGIE

He was trying to kiss her... She hit him...

She puts her hand to her own face, along her cheekbone.

MAGGIE (CONT'D)

Here. He was bleeding...

Danny rolls his eyes again and Baez shoots him a look.

MAGGIE (CONT'D)

She went for the phone, but he grabbed her... pushed her.

She stops, looks at them.

MAGGIE (CONT'D)

She didn't want to die.

DANNY

Who does, right?

MAGGIE

He has her locket. He took it with him.

BAEZ

You can't give us any description of him?

MAGGIE

Just a uniform.

BAEZ

He was wearing a uniform?

MAGGIE

A grey uniform. That's all I know.

DANNY

Great. You got a first and last name? Because that's what would be really helpful.

MAGGIE

It doesn't work like that.

DANNY

How does it work? You prey on people when they are most vulnerable?

MAGGIE

I'm not getting paid for this.

DANNY

You're doing it out of the goodness of your heart?

MAGGIE

Yes, detective. I'm sorry you don't believe, but that's your problem not mine.

DANNY

My problem is you wasting our time with this mumbo jumbo when we have work to do.

MAGGIE

I find that the people who don't  
believe in my gift, are the ones  
most afraid of it.

DANNY

OK, well, if you don't mind, we've  
got work to do.

MAGGIE

Who's Linda?

DANNY

What?

MAGGIE

Is that your wife?

[REDACTED]

DANNY

Get the hell out of here...

Maggie leaves. Off Danny.

FRANK

I'm not done.

Frank slides a file folder across the coffee table.

FRANK (CONT'D)

I had my DCI write a press release  
about the Church's decision to take  
over The Bucket List.

KEARNS

We have enough charities.

FRANK

It's in the black, Kevin, and I  
can't think of better publicity.  
(beat; off Kearns)  
So, you're welcome.

KEARNS

That's not a fair deal.

FRANK

It is in giving that we receive.

KEARNS

And now you're going to quote Saint  
Francis?

FRANK

He's as good a guy as any.

KEARNS

OK...

(as he gets up to go)  
I'm making you the president of the  
Riker's Island Pen Pal Committee.  
Meetings are every Monday at 2 in  
Saint Stephen's, starting next  
week. See you then.

off Frank

Danny rings the bell, and Maggie answers.

MAGGIE

Detective Reagan, do you want to  
come in?

DANNY

No. Thanks.

He holds up the evidence bag containing Meredith's locket.

DANNY (CONT'D)

We found her killer. So...

MAGGIE

I'm happy her family will know the truth.

DANNY

The leads you gave us were very... helpful. So, thank you...

MAGGIE

But, you're still skeptical.

DANNY

I think I'll stick to facts.

MAGGIE

Before, when I brought up your wife's name... I'm sorry. I didn't know it would hit such a chord...

DANNY

It's no big deal. Everyone knows my wife died. It was in the news, you could've just looked it up.

MAGGIE

But, I didn't. And she didn't die. She was murdered.

Danny looks at her.

DANNY

Thank you, but I've got it under control. I don't need your help, or to communicate with the dead.  
(beat; off Maggie)  
My wife knows how much I love her.

Danny turns and starts to walk away. Maggie calls after him.

MAGGIE

She says she loves you more.

Off Danny.
